"City officials interested in working for the League ballot measure, including participating in CITIPAC fundraising, should start by contacting their League Regional Representative."

There are two simple, but very important rules city officials and employees should follow if they want to get involved in campaign activities in support of the League's ballot measure to strengthen constitutional protections for local revenues.

DON'T USE PUBLIC FUNDS

All contributions to the ballot measure of your time and resources must be made with non-public funds. This means no public facilities or equipment (phones, computers, email accounts, vehicles, copy machines or any other equipment) may be used to plan or promote ballot measure activities, including fundraising. No public funds may be used in support of your campaign activities.

CAMPAIGN ON YOUR OWN TIME

Keep good records. Track your time and your use of private equipment used in ballot measure activities, so you are able to document that no public funds were used.

City officials interested in working for the League ballot measure, including participating in CITIPAC fundraising, should start by contacting their League Regional Representative.
